SPECIAL RULES

And They Shall Know No fear, Combat Tactics, Independent Character.

Chapter Tactics: If you include Belial then all units in your army lose the **Combat Tactics** special rule. Instead, when you deploy a Deathwing Terminator unit you may choose to put it on the table or in reserve, as described in the Deep Strike Scenario Special Rule (Even in missions that do not use the Deep Strike rule).

At the beginning of your first turn, you may choose up to half (rounding up) of the Deathwing Terminator squads kept in reserve to make a ‘Deathwing Assault’. Units making a Deathwing Assault arrive on the player’s first turn using the Deep Strike rules. The arrival of the remaining units held in reserve is rolled for as normal.

Independent Characters wearing Terminator armour may also be deployed via Deathwing Assault. They must join and enter play with Deathwing Terminator squads in order to do so.

Deathwing: If Belial is present at the battle then any Terminator squads taken are now considered to be “Deathwing Terminators”.

Rites of Battle: If Belial is on the table, then all other Space Marine units can use his Leadership for any Morale, Pinning or Leadership tests, but not Psychic tests.
