# UNITED STATES NATIONAL GUARD

## MECHANISED INFANTRY

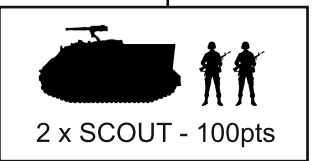

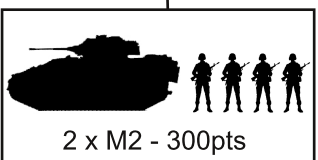

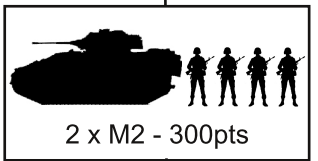

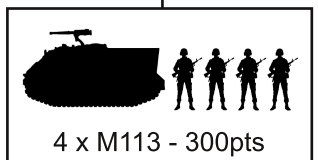

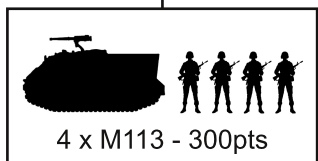

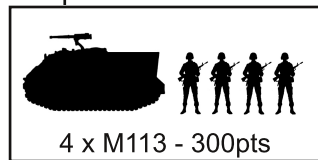

### CONFIDENT - TRAINED

HQ

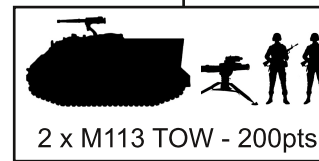

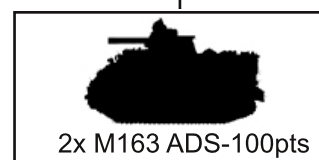

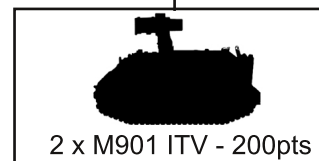

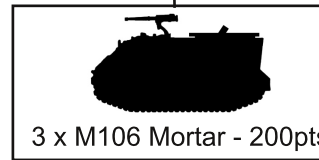

The National Guard raised on a State by State basis can be called upon by the President and approved by the State Governor to be federalised in an emergency, or by approval by the US Congress. The National Guard is part Federal and part State Funded but is a component of the US Department of the Army. By the mid-1980's the National Guard was going through a huge modernization programme, but still had some legacy systems. You must take 3 Combat Team Platoons in any force.
