Objectives

1: Express confidence (or the opposite) in the virtue of overwhelming numbers and firepower.

2: Apply a lesson from the Imperial Infantryman's Uplifting Primer to the current situation.

3: Compare the protection given by faith in the Emperor to a piece of armour or cover.

4: Cite the logistical use of hatred for the enemy.

5: Obey an order without question or doubt.

6: Make a tactically sound plan to achieve an objective.
